Le Mans Classic 2018

The "Le Mans Classic "

The Le Mans Classic has established itself as a major international event in the motor racing calendar attracting world wide interest from Le Mans 24hrs and historic race enthusiasts. The Autospirit Team have been involved with the event from the start, organising bespoke packages catering for both enthusiasts and competitors.

Our "Traditional" château and country house accommodation packages cater for most visitors' requirements. We are pleased to extend a special invitation to Club Lotus members planning to visit the Classic, purchase tickets from the Club and participate in the Club's special Lotus enclosure inside the circuit.

Our Le Mans Classic packages are specifically designed to suit most pockets and for guests to enjoy the unique Le Mans Classic atmosphere plus time out to relax. We are setting aside three of our properties and giving priority booking to Club members whilst spaces still remain available. They are suitable for couples and small groups and offer the possibility to extend your visit to explore the local regions including the famed Loire Valley's Châteaux and wine caves. If the above do not meet with your requirements we can offer other alternatives including châteaux and country houses. For further details please contact us for details info@autospirit.co.

Demand for accommodation during the Le Mans Classic is very high and availability is always an issue, you are strongly advised to book early to avoid disappointment.
